Re: U.S. Environmental Protection Agency (EPA) request for access to Farmington Yard,
4551 Herrera Road, Farmington, San Juan County, New Mexico.
CERCLIS #: NM0000605526

Dear Mr. Zent:

The purpose of this letter is to request permission for the U.S. Environmental Protection Agency (EPA) to enter the property at 4551 Herrera Road in Farmington, San Juan County, NM, described as the Farmington Yard. In accordance with the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA), 42 U.S.C. § 9601, EPA is seeking access in order to investigate the nature and extent of contamination that may have resulted from industrial operations at the property.

Section 104(e) of CERCLA, 42 U.S.C. Section 9604(e), grants EPA the authority to enter a property at reasonable times to investigate such releases. Our policy, however, is to seek voluntary cooperation from the property owner when possible.

Representatives of Ecology & Environment, Inc. (E & E) will be conducting the investigation as EPA's contractor. Personnel from E & E will be contacting you to verify the exact dates of the visit. If you would like a copy of the Preliminary Assessment report, please mark the appropriate box on the consent form.

Thank you very much for your cooperation in this matter. If you have any questions, please contact me at 214-665-6784 or LaDonna Turner of my staff at 214-665-6666.

Sincerely yours,

Susan Webster
